

# HANG ON TO YOUR HATS! JOIN US ON SEPTEMBER 12th

## ILG Tri-Chapter Conference

(Sponsored by: Northern California, Silicon Valley, and Sacramento ILGs)

**Thursday, September 12th, 2013**

**8:30 AM – 3:30 PM**

The complexities of compliance continue to be a challenge for Federal contractors in 2013. Fortunately, the Industry Liaison Groups work hard to bring us all together in a unique sharing and learning environment.

This one-day seminar is a must attend if you want to be prepared for the changes that are already upon us. Please join us as we meet with guests from EEOC, OFCCP as well as Valerie Hoffman from Seyfarth Shaw, Joe Lakis from EEAC, and Gary Siniscalco from Orrick. At this time we are still completing the agenda for the day and we are in conversations with additional speakers.

Our great speakers will be covering the topics listed below and more!

### THE PROGRAM\*

- New Developments and Directions at OFCCP under the Direction of Patricia Shiu
- The New Compensation Directive and Pay-Equity Enforcement
- Round Table Best Practices Discussion and Overview of OFCCP's Diversity in Technology Event
- Managing the current OFCCP audit environment
- Overview of updated ADA requirements including Background Checks
